

ORMOS

Ormos resort is situated right at the edge of a coastal height, overlooking the azure crystal-clear waters of the Aegean Sea. Surrounded by the lush forest of Korakia, this area of natural beauty is perfect for ventures into nature or simply for relaxing and stargazing.

Ormos is made up of three self-contained luxury villas, each with their own driveway, private grounds and gardens.

Villa Azure is situated at the highest point of Ormos resort, offering privacy and beautiful unobstructed views.

Villas Aurous and Verdant can be booked together and can accommodate up to twenty guests. The ample outdoors spaces include landscaped olive tree and rock gardens, an infinity swimming pool, pool bar and pavilion with the ability to accommodate social events for up to forty guests. Ormos' unique location, directly above a natural secluded cove makes it ideal for private yacht access.
